## 2014 Durif

*Rutherglen is the renowned home for this powerful and persistent wine variety. Our Durif is a full bodied wine which explodes with varietal durif fruit characters and is big and bold!*

<b>Variety</b>	100% Durif
<b>Source</b>	Rutherglen, Victoria
<b>Colour</b>	Blood plum core with a ruby halo
<b>Aroma</b>	Blackberry, violets and aniseed
<b>Palate</b>	Rich, intense plum and black cherry with savoury spice, pepper & coffee bean oak flavours. The tannins are firm but integrated. The wine has great length and displays true Durif character

### **Serving and Cellaring**

We suggest serving this wine with game meats or rich slow cooked cassoulet. This wine will benefit from cellaring. Best enjoyed now to 2020.

### **Technical Data**

Alcohol	13.7%
---------	-------

### **Winemaker Notes**

*Over the years we have been gradually increasing the percentage of French oak we use in our Durif, which traditionally was 100% American oak. Now it sits at 50% two year old and 25% one year old French as we are looking for a more refined Durif style with less impact than the powerful American oak.*

*A nasty frost in October 2013 limited our 2014 crop, but the rest of the season was ideal, allowing the smaller crop to get perfectly ripe.*
