## 2016 Moscato

*Picked early in the season, Rutherglen Brown Muscat is ideal for making Moscato. Offering incredible aromatics, a burst of fresh fruit flavour and clean, crisp acidity, the charms of a well made Moscato are impossible to resist.*

**Variety** Muscat a Petit Grains Rouge

**Source** Rutherglen

**Colour** Strawberry pink

**Aroma** Rose petal and sherbet flavours

**Palate** A berry bomb of flavour that explodes in your mouth with an attractive spritz & zest. Wonderful musk stick flavours across the palate

### **Serving and Cellaring**

Intended to be consumed young, while it's fresh and vibrant, serve well chilled and is downright delicious with apple desserts, fresh berries, summer salads, meringue pies or peach cobbler. Moscato also pairs particularly well with spicy Asian fare (think Thai, Szechuan, Korean), as the sweet from the wine tames the heat in the food.

### **Technical Data**

PH	3.20
TA	7.1
Alcohol	6.0%

### **Winemaker Notes**

*The muscat was picked early in the 2016 season at sunrise, then destemmed & left in the press overnight. This gives the juice a lovely glaze cherry blush & releases a lot of the rose petal Muscat flavour from the skins to the juice.*
