## Rutherglen Topaque

*Rutherglen Topaque - liquid gold in a bottle*

<b>Variety</b>	Muscadelle
<b>Source</b>	100% Rutherglen
<b>Colour</b>	Candied peel and sunlight
<b>Aroma</b>	Butterscotch and cold tea nose
<b>Palate</b>	Inviting toffee/butterscotch leads on to a silky, voluptuous palate with an oloroso sherry type of rancio and a fresh cut of acidity that really balances the wine and lengthens the finish.

### **SERVING AND CELLARING**

In the traditional manner, serve at around 13-15°C, or may be chilled and served with rich deserts such as sticky date pudding

### **Technical Data**

pH	4.06
TA	4.7
Alcohol	17.8%

### **Winemaker Notes**

*This wine shows a fresh spirit lift, along with some lovely candied peel notes and beginning to develop some barrel aged characters*
